

Body-Worn Cameras

The Little Silver Police Department utilizes the Watchguard V300 Body Worn Camera. The public can expect to see members of the police department assigned to the uniformed patrol division using these cameras while on duty.

The Little Silver Police Department's policy is in accordance with the Attorney General Guidelines and the Monmouth County Prosecutor's Office policy and directive. We encourage members of the community to reference the Body Worn Camera Policy established by the New Jersey Attorney General's Office for further information.
